

IMAGINE....

instant access to highly accurate information.

That is Smart Management.
That is **BMMP**.

BMMP is leading DoD business transformation one process at a time. Among thousands of systems and processes used throughout the Department, BMMP is creating solutions to achieve excellence... pioneering a new level of effectiveness... and improving efficiency in business and financial systems.

Excellence...Effectiveness...Efficiency. Why BMMP?
Because a world-class military deserves world-class business operations.

**Arming the Warfighter
Through Business Improvement**
